I'll string along, string along
String along with you dear
I'll string along, string along
String along with you dear

You may not be an Angel
'Cause Angels are so few
But until the day that one comes along
I'll string along with you

I'm looking for an Angel
To sing my love song to
And until the day that one comes along
I'll sing my song to you

For every little fault that you have
Say I've got three or four
The human little faults you do have
Just make me love you more

You may not be an Angel
But still I'm sure you'll do
So until the day that one comes along
I'll string along with you

You may not be an Angel
'Cause Angels are so few
But until the day that one comes along
I'll string along with you, say

I'm looking for an Angel
To sing my love song to
And until the day that one comes along
Yes I'll string along with you

For every little fault that she has
Say I've got three or four, maybe more
The little human faults she does have
Just make me love you more

You may not be an Angel
But still I'm sure you'll do, oh yeah yes

So until the day that one comes along
Yes I'll string along with you

Until he finds an angel
I'll string, string along with you
String along
