Papa de da da

He's a lady's man

Papa de da da

Sweetest in the land

Papa de da da

Watch him clap his hands

He can play piano grand

Papa de da da

He's a lady's man

Papa de da da

Always plays the blues

Neat and keen

That's what I mean

Got all the gals in New Orleans

Papa de, da, da da da

He's the hottest man in town

He's nice and soft

Never scoffs

Red hot mamas

He cools them off
