Sometimes I wonder why I spend
Such lonely nights
Oh baby lonely nights
Dreaming of a song
The melody haunts my reverie
And I am once again with you
When our love was new, oh baby
And each kiss an inspiration
Now that baby you know was long ago

Oh beside a garden wall
When stars are bright
You are in my arms
The nightingale tells his fairy tale
A paradise where roses bloom
Though I dream in vain
In my heart it will remain baby
My stardust melody
Oh memory oh memory oh memory
