Don't know why there's no sun up in the sky stormy  
weather  
Yeah since my girl and I ain't together, keeps rainin' all  
the time

Life is bare, gloom and misery everywhere stormy  
weather  
Yeah just can't get my poor self together, oh I'm weary  
all the time  
Do or die so weary all the time

When she went away the blues walked in and met me  
If she stays away old rockin' chair is gonna get me  
All I do is pray to Lord above let me walk in the sun  
once more

Can't go on, every thing I had is gone stormy weather  
Babe since my girl and I ain't together, keeps rainin' all  
the time  
Yeah keeps rainin' all the time
