I see trees of green, red roses too  
I see them bloom for me and you  
And I think to myself, what a wonderful world  
I see skies of blue and clouds of white  
The bright blessed day, the dark sacred night  
What a wonderful world

The colors of the rainbow so pretty in the sky  
Are also on the faces of people going by  
I see friends shaking hands  
Saying "How do you do"  
They really saying "I Love You"

I hear babies cry I watch them grow  
They learned much more than I'll never know  
And I think to myself, what a wonderful world
