I'm goin' ,  
But I'll be back!  
Look for me,  
You'll see that I'll be back!  
Gonna bring my mom and pop,  
And I'm gonna bring a cop,  
Gonna make you give me back my love  
Before I blow my top!  
I'll get ya  
Before I stop  
Baby, you can't take my love and let me drop!  
I've decided you must know  
That I can't let you go;  
It's time for me to blow,  
But I'll be back!  
I'll get ya  
Before I stop;  
Babe, you can't take my love and let me drop!  
I've decided you must know  
That I can't let you go;  
It's time for me to blow,  
But I'll be back!
