Doug the Jitterbug  
Just a silly lug  
Young and wild with lots of style  
That's Doug the Jitterbug

Just a crazy mug  
Drinks liquor by the jug  
He's alive with lots of jive  
Doug the Jitterbug

They threw him out of school  
'Cause all he learned was Tiger Rag  
He never knew the golden rule  
But boy, how he can shag

Doug the Jitterbug  
Cuts a wicked rug  
It ain't no shame, he's not to blame  
He's Doug the Jitterbug

He studied to be a lawyer  
But he never got a case  
Every time they'd look for that cat in court  
He'd be doing the pantywaist

Let's talk about Doug the Jitterbug  
Cuts a wicked rug  
It ain't no shame, he's not to blame  
He's Doug the Jitterbug
