Check it one Check it two Check it three, four, five and...
And a one-un-un un two-oooh-oooh-oooh, three-ee-ee-ee
Meta-four, five, six, seven, eight Watch those woofers
levitate Set the bass, nine and ten (Heal up rewind!)
Play that line again Watch those woofers levitate Now
find a friend and start chimin' in To the sound of the
song when the vinyl spins We goin' back to the We
goin' back to the We goin' back to the first line again
And a one and a two and a three and a meta, meta-
four Get up y'all Five and six, find a chick Grind her till
y'all gettin' off Seven, eight, nine and ten Now relax
with an ice cold Heineken We goin' back to the We goin'
back to the... We goin' back, back, way back, all the way
back to the grill There's no more reason to spill It's
worked for the season to build
