Just a gigolo
everywhere I go
people know the part
I'm playing

Paid for every dance
selling each romance
every night some heart
be traying

There will come a day
youth will pass away
then what will they say
about me

When the end comes I know
they'll say just a gigolo
as life goes on
without me

'Cause I aint got nobody
nobody nobody cares for me
I'm so sad and lonely
sad and lonely sad and lonely
Won't some sweet mama
come and take a chance with me
cause I aint so bad

Get along with me babe,
been singin love songs
All of the time
Even only be, honey only, only be
Bop bozadee bozadee bop zitty bop

I ain't got nobody 'cept love songs in love
Hummala bebuhla zeebuhla boobuhla
hummala bebuhla zeebuhla bop

I ain't got nobody, nobody,
nobody cares for me
Nobody , nobody

I'm so sad and lonely,
sad and lonely,
sad and lonely,
Won't some sweet mama come
and take a chance with me
cause I aint so bad

Get along with me babe,
been singin love songs
All of the time
Even only be, honey only, only be
