I'm just a gigolo and everywhere I go  
People know the part I'm playing  
Paid for every dance, selling each romance  
Ooh, what they're saying

There will come a day and youth will pass away  
What, what will they say about me  
When the end comes I know there's a just a gigolo's  
Life goes on without me

I'm just a gigolo everywhere I go  
People know the part I'm playing  
Paid for every dance, selling each romance  
Ooh, what they're saying

And there will come a day and youth will pass away  
What will they say about me  
When the end comes I know there's a just a gigolo's  
Life goes on without me

'Cause I ain't got nobody  
Oh and there's nobody that cares for me  
There's nobody that cares for me

I'm so sad and lonely  
Sad and lonely, sad and lonely  
Won't some sweet mama  
Come and take a chance with me  
'Cause I ain't so bad

Sing on, pretty love song, all of the time  
She will only be, only be

I ain't got nobody  
Oh and there's nobody that cares for me  
There's nobody that cares for me  
Nobody that cares for me  
Nobody that cares for me

I ain't got nobody, nobody  
Nobody that cares for me  
There's nobody that cares for me

I'm so sad and lonely  
Oh lonely, oh lonely  
Won't some sweet mama  
Come and rescue me  
'Cause I ain't so bad

And I'll sing her three love songs all of the time  
'Cause she will only be, only, only, only, only, only, only  
be my baby  
Come on, sugar, darling, honey

[Incomprehensible]  
And there's nobody, there's nobody  
There's nobody, there's nobody  
There's no one, there's no one

[Incomprehensible]

Nobody, no, no one  
Nobody, nobody  
Nobody, nobody  
Nobody cares for me
