I've got you under my skin  
I've got you, ah, deep in the heart of me  
So deep in my heart, you're really a part of me  
Baby, under my skin

I've tried so not to give in  
I said to myself this here affair  
Never could go so well  
But why should I try to resist  
When Luigi I know so well  
Little mogetti under my skin

I'd sacrifice anything come what might  
For the sake of having you near  
In spite of the warning voice that comes in the night  
And repeats, and repeats in my ear

Don't you know you little fool  
You never can win  
Use your mentality, wake up to reality  
But each time you do  
Just the thought of you Makes me  
Stop before you begin  
'Cause I've got you under my skin  
I've got you under my skin

I'd sacrifice anything come what might  
For the sake of havin' you near  
In spite of the warning voice that comes in the night  
And repeats, and repeats in my ear

Don't you know little fool, you never can win  
Use your mentality, wake up to reality  
But each time you do  
Just the thought of you Makes me  
Stop before you begin  
'Cause I've got you under my skin  
Ah, I've got you under my skin

Yeah, I got you baby under my skin  
Ah, holy mackeleer under my skin  
I've got you under my skin
