La, la, la  
La, la, la  
La, la, la  
Rock 'n roll party queen

Little girl, do you know what I mean?  
Pretty soon she'll be seventeen  
They tell me her name's Mary Jean  
Rock 'n roll party queen

Friday night and she's got a date  
Goin' places just for stayin' out late  
Droppin' dimes in the record machine  
Rock 'n roll party queen

Pa pa pa, oh no  
Can I have a ball tonight?  
Baby, baby, can I be the one  
To love you with all of my might?

She's the girl that all the kids love  
Talk about her, wherever she goes  
I could write a fan magazine  
About my rock 'n roll party queen

La, la, la  
La, la, la  
La, la, la  
Rock 'n roll party queen

Oh, oh  
Oh, oh  
Oh, oh  
Rock 'n roll party queen

Pa pa pa, you should see her shake  
Baby, baby, don't you call it puppy luck  
Don't you want a true romance?

Rockin' and rollin', little party queen  
We're gonna do the strawl, hey, party queen  
You know I love you so, my party queen

You're my rockin' and my rollin' party queen
