Walking the dog in
Suburbia's garden
She's only 15 in her parents world

It's time to escape, yeah
And get to a place where
She won't be treated like a little girl
Ou, she knows that she shouldn't be out
She's a teenage queen what do they know about

Ou, baby baby
Just to get her kicks
Ou, baby baby
She needs a city boy fix
Ou, baby baby
Just to get her kicks
Ou, baby baby
She needs a city boy fix

Her parents would die if
They saw her that way with
Her bare legs showing beyond her age
A risk that she takes but
She just cannot wait
Cos tonight she'll be coming home
Far too late

Ou she went to the houses
But sleeping ain't the way she
Becomes a teenage queen

Ou, baby baby
Just to get her kicks
Ou, baby baby
She needs a city boy fix
Ou, baby baby
Just to get her kicks
Ou, baby baby
She needs a city boy

Uh, oh

Uh, oh
Uh, oh
Uh, oh

She's gone
She's gone over the line
Over the line
Maybe she
Maybe she'll get caught this time
She'll get caught, caught this time

Ou, baby baby
Just to get her kicks
Ou, baby baby
She needs a city boy fix
Ou, baby baby
Just to get her kicks
Ou, baby baby
She needs a city boy fix
Oh yeah

Ou, baby baby
Just to get her kicks
Ou, baby baby
She needs a city boy fix
Ou, baby baby
Just to get her kicks
Ou, baby baby
She needs a city boy fix
Ou, baby baby
Ouuu
Ou, baby baby
Ooh-ooh
Ou, baby baby
City
Ou, baby baby
City
Ou, baby baby
City
I said ou baby, baby
