If you want to take my body tonight
Then you got to be somebody tonight
Use me just to make your body feel right
If you want to take my body tonight

(Well God killed the Queen)
My body tonight
(Well God killed the Queen)
My body tonight

Load it

(I think I'm seeing double)
(I think I'm seeing double)
God says, "I'm on it"
(I think I'm seeing double)
He never made a dime on me
(I think I'm seeing double)

If you want to take my body tonight
(I think I'm seeing double)
Then you got to be somebody tonight
(I think I'm seeing double)
Use me just to make your body feel right
(I think I'm seeing double)
God killed the Queen

For case up
(I'll probably take)
Well count it, well count it
(My body tonight)
Well count it, well count it

Well I don't know what I'm doing here
She shoots him, load it

God says, "I'm on it"
(I think I'm seeing double)
God takes time on it
(I think I'm seeing double)
He never gave a dime on it
(Wait till you're seeing it)

(I think I'm seeing double)
(I think I'm seeing double)
Use me just to make your body feel right
(I think I'm seeing double)
(Well God killed the Queen)
