I need sleep  
I need love  
I need fun  
I need girls

I need sun  
I need hope  
I need help  
I need dope

I need her  
I need it  
I can't run  
I can't sit

I got pain  
I got pain  
I got pain

Hopesick  
Hopesick  
Hopesick  
Hopesick

A heart flutter  
And I shutter  
A hand shake  
A heart break

I love her  
She loves me  
But in my mind  
But only in my mind

Hopesick  
(If it was so hard to hope)  
Hopesick  
(How come I can't let you go?)  
Hopesick  
Hopesick

I need wheels

I need touch  
On my toes  
On my heels

On my lips  
On my head  
On the street  
I need stuff

I need a heart  
I need a break  
My skin aches  
What does it take?  
I need me I need me

It's like I'm hanging from a rope  
From a string  
From a needle  
From a thread  
In my head

Hope, hope, hope, hope

Hopesick  
(If it was so hard to hope)  
(How come I can't let you go?)  
Hopesick  
Hopesick

If it was so hard to hope  
How come I can't let you go?

If it was so hard to hope  
How come I can't let you go?

A heart flutter  
I shudder  
A hand shake  
A heart break

Hopesick  
Hopesick  
Hopesick  
Hopesick

It's like I'm hanging  
(Hopesick, hopesick)  
From a rope  
(Hopesick, hopesick)  
From a string

Hopesick  
Hopesick  
Hopesick
