Oh-yeah-yeah Yeah-yeah

**MotoLyrics** 

In the darkness Sitting in the corner of Les bendouche I' been thinking When will I get the chance To be alone with you

People talking to me But i-i don't hear a word that they say-ay Cos in my mind I am already ten thousand miles away

Where I really wanna be is In-in our room Oh won't you come with me In our room-oom I'll take you slowly Always room-oom For your company I'll be good to you When you take me to our room

Sitting here melting Waiting for your eyes to say your melting too You make me happy You make me happy I'd like to get the chance to make you happy too Oh yeah

Got to get you by yourself I-i don't need nobody, else I'm just waiting for the sign To say the night is yours and mine

Where I really wanna be is In-in our room Oh won't you come with me In our room-oom I'll take you slowly

For your company I'll be good to you When you take me to our room Yeah, ahh yeah yeah Yeah, ahh yeah yeah Let's go Bum, bum, bum, bum-bum, bum, bum-bum, bum Let's go let's go Bum, bum, bum-bum, bum, bum-bum, bum Let's go let's go Bum, bum, bum, bum-bum, bum, bum-bum, bum Ah-ah, baby Ah-ah please take me Take me to our room Take-take me to our room Take me to our room Take-take me to our room Take me to our room Take-take me to our room Take me to our room Take-take me to our room Take me to our room Take-take me to our room Take me to our room Take-take me to our room Won't you take me Come on and take me now Won't you take me Come on and take me now Won't you take me Come on and take me now Won't you take me Come on and take me now Won't you take me Come on and take me now Won't you take me Come on and take me now

Always room-oom
