Give me back my smile
Cos it's taring me inside
Your still so far away
What happened can't we change
To make it all worthwhile
You have every piece of me
I'll promise you anything you need
We have so much to loose
Whatever can I do to make you see

I'll be lost
I'll be lost without you
I'll be lost
I'll feel lost without you

I can't go on this way
All these crazy games we play
Without you
We've made our sacrifice
I need some good advice
To bring back yesterday

I keep talking to myself
Cos your mind is somewhere else
Tryin' to find the words to say
The words get in the way
No poetry in pain

I'll be lost
I'll be lost without you
I'll be lost
I'll feel lost without you

Give me back my smile
Cos it's taring me inside
I can't go on this way
Cos it's taring me inside

I'll be lost
I'll be lost without you
I'll be lost

I'll feel lost without you
