Ah little Stacy Q  
When she doesn't have a thing to do  
She comes to my house  
Well, let's keep that between me and you  
She takes off her clothes  
She likes to tell this boy what to do  
Let's keep that between me and you, ok  
She said oh come on boy aren't you tired of talking  
about sex  
I said little girl what do you really expect  
And then she pledges her allegiance  
To the united states of me  
She says you're such a little bitch

She says head case head case  
Turn that thing around  
Let's play a game when you hear me make a sound  
Just go quite a bit faster  
Pretend that I'm gagged and bound  
Oh how I love to hear that sound  
Milkshake milkshake I love to feel you sweat  
We don't have to go to the pool  
If you want me to make you wet  
Can you keep a secret  
Because the best little secrets are kept  
And you're my best little secret yet

Well, kit kat kit kat kitten you're the kicks  
She said let me feel your love  
I mean come on make it stick  
I'm the best of your little baby chicks  
oh you're my sweet tooth sugar fix

tick tock tick tock oh baby forget the clock  
You don't have to do a thing  
and you know I like your baby talk  
Just make sure to close the shades and turn the lock

A milkshake milkshake I love to feel you sweat  
We don't have to go to the pool  
If you want me to make you wet  
But can you keep a secret

Because the best little secrets are kept
