Uh, yeah!
Uh-huh, yeah!

Woke up this morning
I opened up my eyes
To see the sun was shining through

Huh!

There was something special
I couldn't help but smile
Maybe as I remembered you

Turn away,
Dig along!
They play my favourite song!

Found an old
Photograph!
Remember how you made me laugh

Reminds me of you
There was no better
We thought we had nothing to lose

Reminds me of when
Oh yeah!
We were together!
All the things you and I used to do
Reminds me of you!

Ahh yeah!

The first time I saw you
We must have talked for hours
I guessed we put the world to right
Yeah!

You drove me crazy
You drove me home at night
I never wanted to say goodbye!

Like I know,
Movie scene!
Wasn't real or make believe

Heaven knows,
I can't forget!
Memories are all that's left

Reminds me of you
Oh year!
There was no better
We thought we had nothing to lose

Uh-huh yeah!

Reminds me of when
Oh yeah!
We were together!
All the things you and I used to do
Reminds me of you!

Reminds me of you
Uh-huh!
There was no better
Yeah!
Reminds me of you
Remember
Our first kiss
Remember
That's what I knew
Everything reminded me of you!

Uh-huh
Ooh-yeah!
Uh-huh!

Turned it up radio
Radio up!
They're playing our favourite song!

Found an old
Photograph!
Remember how you made me laugh

Reminds me of you
Oh year!
There was no better
We thought we had nothing to lose
Oh yeah!

Reminds me of when
Oh yeah!
We were together!
All the things you and I used to do
Reminds me of you!

Reminds me of you
Ooh-ooh!
There was no better
Ooh-ooh!
We thought we had nothing to lose

Reminds me of when
Ooh-ooh yeah!
We were together!
Ooh-ooh yeah!
All the things you and I used to do
Oh yeah!

Reminds me of you!
There was no better
There was no better
