Kiss me!
Uh-huh!
Kiss me!
Kiss me!

Do you know what I think you know
Do you know where it leads to now?
You can be the one for me
But I'm tired of waiting around!

One thing, just think!
It's not very hard to do
I'm gonna go running all my life
If I leave it all up to you.

Shut up and kiss me!
Kiss me!
Kiss me mouth to mouth!
Shut up and kiss me!
Kiss me!
There's nothing to talk about.

Why don't you kiss me?
Kiss me!
Something deep and strong!
Shut up and kiss me!
Kiss me!
I've been waiting far too long!

Kiss me!
That's right!
Kiss me!
That's right!
Uh-huh!

You talk too much
For an easy kinda man
Come on just a little too strong
So I just don't understand!

One thing, don't think!

Can read you just like a book!
I've seen your watching me well
Don't just look!

Shut up and kiss me!
Kiss me!
Kiss me mouth to mouth!
Shut up and kiss me!
Kiss me!
There's nothing to talk about.

Why don't you kiss me?
Kiss me!
Something deep and strong!
Shut up and kiss me!
Kiss me!
I've been waiting far too long!

Kiss me!
That's right!
Said kiss me!
Oh kiss me!
That's right!

Uh-huh, uh-huh!
Uh-huh, uh-huh!
Said kiss me!
Kiss me!

Uh-huh, uh-huh!
Uh-huh, uh-huh!
Said kiss me!
Kiss me!

Gonna make you
Gonna get you
Gonna get you now!
Never, never gonna get a chance again
So I guess I have to show you how!

Gonna make you
Gonna take you
Gonna make up your mind!
Never, never gonna get a chance again
So let's do it tonight!

Shut up and kiss me!
Kiss me!
I've been waiting far too long!

Why don't you kiss me?

Kiss me!
Kiss me!
Uh-huh!

Shut up and kiss me!
Kiss me!
Shut up and kiss me!
Shut up and kiss me!
Kiss me mouth to mouth!
