Ahh, ah-ahh

While the candle cries itself to sleep  
Time hides behind the moon  
Tonight  
We speak of promises to keep  
Uncovering the truth inside  
Your my sweetness and likeness  
I follow the brightness  
That pushes all my fears aside

And baby I'll take you there  
If ever you may stop believing  
I'll take you there  
Never loose faith  
Whatever your wish, I will grant it  
You are the core I'm the answer  
You know I'll take you there  
Yeah  
Ah ah-ahh

While shakespeare wrote the book of love  
I don't believe he ever felt like us  
Our passions collide  
No words can describe  
The diamond shots of love in our eyes

And baby I'll take you there  
If ever you may stop believing  
I'll take you there  
Never loose faith  
Whatever your wish, I will grant it  
You are the core I'm the answer  
You know I'll take you there  
Oh yes oh yeah  
I'll take you there

Back to the place  
That we first discovered our love  
Our hearts and our mind  
Will lead us back in time

Oh, I'll take you there

Oh, oh yeah-eah  
Uoh uhyeah yeah-eah

Your my sweetness and likeness  
I follow the brightness  
That pushes all my fears aside

And baby I'll take you there  
If ever you may stop believing  
I'll take you there  
Never loose faith  
Whatever your wish, I will grant it  
You are the core I'm the answer  
I'll take you there  
Oh yes, oh yeah  
I'll take you there

Take you there

While shakespeare wrote the book of love  
I don't believe he ever felt like us
