Oh-yeah-yeah
Yeah-yeah

In the darkness
Sitting in the corner of
Les bendouche
I' been thinking
When will I get the chance
To be alone with you

People talking to me
But i-i don't hear a word that they say-ay
Cos in my mind I am already ten thousand miles away

Where I really wanna be is
In-in our room
Oh won't you come with me
In our room-oom
I'll take you slowly
Always room-oom
For your company
I'll be good to you
When you take me to our room

Sitting here melting
Waiting for your eyes to say your melting too
You make me happy
You make me happy
I'd like to get the chance to make you happy too
Oh yeah

Got to get you by yourself
I-i don't need nobody, else
I'm just waiting for the sign
To say the night is yours and mine

Where I really wanna be is
In-in our room
Oh won't you come with me
In our room-oom
I'll take you slowly
Always room-oom

For your company
I'll be good to you
When you take me to our room

Yeah, ahh yeah yeah
Yeah, ahh yeah yeah
Let's go
Bum, bum, bum, bum-bum, bum, bum-bum, bum
Let's go let's go
Bum, bum, bum, bum-bum, bum, bum-bum, bum
Let's go let's go
Bum, bum, bum, bum-bum, bum, bum-bum, bum
Ah-ah, baby
Ah-ah please take me
Take me to our room
Take-me to our room
Take me to our room
Take-me to our room
Take me to our room
Take-me to our room
Take me to our room
Take-me to our room
Take me to our room
Take-me to our room
Take me to our room
Take-me to our room
Take me to our room
Take-me to our room
Take me to our room
Take-me to our room
Take me to our room
Take-me to our room
Won't you take me
Come on and take me now
Won't you take me
Come on and take me now
Won't you take me
Come on and take me now
Won't you take me
Come on and take me now
Won't you take me
Come on and take me now
Won't you take me
Come on and take me now
Won't you take me
Come on and take me now
Won't you take me
Come on and take me now
