Larson / Hoffsten - Hoffsten)
You can skate to California
Climb a hill in Katmandu
THAT'S FINE WITH ME!
And you can surf down to Australia
Catch a ride with kangaroos
THAT'S FINE WITH ME!
You can sell you'r soul in Mexico
I won't disagree
THAT'S FINE WITH ME!
But i wish I know the magic spell
That could send you on a trip to hell
Hallelulia!
That would be a miracle
Choke a pizza in Angola
Belch on burgers in Madrid
THAT'S FINE WITH ME!
You can climb the Eiffel tower
Slide down the pyramids
THAT'S FINE WITH ME!
Drown yourself in Osaka
In a cup of tea
THAT'S OK WITH ME!
But I wish the secret code
That would send you to northern pole
Hallelulja!
Go annoy you'r auntie Vera
Down in Jacksonville
THAT'S FINE WITH ME!
Just sign in blood you'r letters
From Turkey or Brazil
THAT'S FINE WITH ME!
You're a vagabond, a traveling bomb
That's a guarantee
And IT'S FINE WITH ME!
But I wish I know the magic spell
That could send you on a trip to hell
Halleluia!
That would be a miracle
