I'm addicted baby
It's plain to see
Your love's
Got a hold on me

I'm addicted baby
It's a natural fact
No drug
Ever do me like that

You come on like an angel
So cool and discreet
You move through the crowd
Boys falling at your feet

You start swaying to the music
And you're looking so right
Oh, I want you forever
Starting tonight

I'm addicted baby
It's plain to see
Your love's
Got a hold on me

I'm addicted baby
It's a natural fact
No drug
Ever do me like that

No one has ever moved me
Exactly like you do
My sweet woman-child
There's nobody like you

When you do me what you do me
The fever starts to burn
You've got the power
For your love I yearn

I'm addicted baby

It's plain to see
Your love's
Got a hold on me

I'm addicted baby
It's a natural fact
No drug
Ever do me like that
