Help! I need somebody,

Help! not just anybody,

Help! you know I need someone

Help!

When I was younger, so much younger than today,

I never needed anybody's help in any way.

But now these days are gone, I'm not so self assured,

Now I find I've changed my mind I've opened up the
doors.

Help me if you can, I'm feeling down

And I do appreciate you being around.

Help me get my feet back on the ground,

Won't you please, please help me.

And now my life has changed in oh so many ways,

My independence seems to vanish in the haze.

But every now and then I feel so fuckin' bad,

I got to get some marihuana in my head.

Help me if you can, I'm feeling down

And I do appreciate you being around.

Help me get my feet back on the ground,

Won't you please, please help me.

And now my life has changed in oh so many ways,

My independence seems to vanish in the haze.

But every now and then I feel so fuckin' bad,

I got to get some marihuana in my head.
