I am an Arabian princess I'll do whatever you like
I'll be all naughty and no nice take you to paradise
I'm an Arabian dancer I'll shake my boodie all night
I'll be a hot hot leb chick so you wanna get with me

Nobody else can move it like I can move it
All the girls are jelous of what I've got
They try to shake their ahhh
Like I shake ma ahhhh
Wnna be something that their not
When I'm dancing in the club everybody turns around
and looks at me
The girls give me the look the guys give the look
But I don't care what people think because

CHORUS

When I walk into the street all eyes are on me

The way I move my hips it's hypnotysing
I go into the club and I'm doing thing
And OMG you should see the guys surrounding
All the other girls are trying to get attention
Wanna be like me cause they know I'm perfect
I come from the middle east and shake it like a belly
dancer
No one else can do it quite we can do it

CHORUS

I'm arabian
I'm a princess
I'm everything you wish you were
I'm a young girl
I'm a hot girl
I'm better than you and you know it
I'm perfect
I'm a bad girl
You know you'll never be like me

CHORUS
