Baby It's cold outside
Stick my hand in and glide
Baby we can fly away
I wanna feel so free
You know It's different to me
You returned so why won't you stay

Baby be mine
Baby you gotta be mine
Show me that you love me
I wanna give you all I have to give 4x

Baby It's raining outside Let's try finding a glide How about flying on a plane Cause if we stay here and we are not sincere Then things will never be the same

Baby be mine
Baby you gotta be mine
Show me that you love me
I wanna give you all I have to give 4x
