

Lo "Baby"

It's been a long time baby
I wish that you were my baby
Can't wait to see you baby
I need you more than ever lady
You know that I want you
Come on and let me give you
Everything
I'm gonna make your body sing
The song that I'm singing
And all the love I'm bringing

Baby
Oh Baby
Be my lady
Oh baby

Through the mountains to the seas
You will always be with me
From the mountains so tall
There won't be no trouble at all
5x

Baby
Oh Baby
Be my lady
Oh baby

I used to be that motherfucker
Who once used to love another
But now we like each other
Out of my face
Get in your place
You already had your chance
It's too late for another dance

Baby
Oh Baby
Be my lady
Oh baby

Can't wait till this song replays
I'm gonna fuck

8x

Baby
Oh Baby
Be my lady
Oh baby

Can't wait till this song replays
I'm gonna fuck
8x
