I take a cup  
Pour me some  
Give me a second  
Then I'm done  
You a zero  
And I am one  
Tell me a story  
And let's have some fun

Let me get a Blue Goose or you know what  
A Grey Goose  
Make that double  
Fuck I'm gonna be in so much trouble  
Wubble wubble  
I'm drunk  
Give me another one for the home  
Wubble wubble  
I'm drunk  
Me and this Grey Goose gonna be alone

I'm ready to party  
Be so naughty  
I may be dizzy  
Bout to be so jizzy  
I'm over a ton  
I might overdose (Oh shit! )  
So let me have some more fun  
Tell me a story  
And let's have some fun

Let me get a Blue Goose or you know what  
A Grey Goose  
Make that double  
Fuck I'm gonna be in so much trouble  
Wubble wubble  
I'm drunk  
Give me another one for the home  
Wubble wubble  
I'm drunk  
Me and this Grey Goose gonna be alone
