Ooh I know you want this and I see your expression
This is more better than some interruption
I'm giving you... with some satisfaction
I know you like this
It's between your reaction
Girl take your time
Try to calm down! You really really got this
You're the best in town
I know you can't resist this'
You like damn it's so big
You... and... and... on this

You bringing me some...
I said you bringing me some...
... for me baby
... for me baby

I'm getting you crazy
You wanna be my baby
Try to be my lady
Then we can have these babies
How many do you want?
Stupid question
Lucky that it's not to your reaction
Girl take your time
Try to calm down! You really really got this
You're the best in town
I know you can't resist this'
You like damn it's so big
You... and... and... on this

CHORUS 2

You bringing me some
Ooh Girl come and bring me some
You bringing me some...
I said you bringing me some...
... for me baby
... for me baby

Now are you sure you wanna do this 8x

Chorus 1 and 2

You bringing me some
Ooh Girl come and bring me some
You bringing me some...
I said you bringing me some...
... for me baby
... for me baby
I said you bringing me some...
... for me baby
... for me baby
