We're here again and we're never leaving  
My heart is beating and my pulse is receeding  
You don't know who we are  
We are stars  
Come out, come out wherever we are

Here we are  
We are here to stay  
We're not going away  
We came back from the bay  
Now what do you say Hey?

Back on this fresh beat  
Feels so-so sweet  
I'm about to lose my feet  
Whoa!

Here we are  
We are here to stay  
We're not going away  
We came back from the bay  
Now what do you say Hey?
