I have a best friend and her name is Ashley  
Your girlfriend's name is Minnie  
Now what's next  
We're best friends and you have a girlfriend  
And I have a best friend  
They like each other  
Probably want to have sex  
It's ok Because I got everything I need  
Ooh damn  
They make a great couple  
Kissy Kissy Koo Koo!

They ain't lesbians  
It's just my best friend with your girlfriend

Are you mad?  
Don't be serious  
You should be proud  
And interious  
It's another round  
Yeah

I have a best friend and her name is Ashley  
Your girlfriend's name is Minnie  
Now what's next  
We're best friends and you have a girlfriend  
And I have a best friend  
They like each other  
Probably want to have sex  
It's ok Because I got everything I need  
Ooh damn  
They make a great couple  
Kissy Kissy Koo Koo!  
What if your girl liked her  
Or maybe I'm wrong  
What if he likes me  
She don't like her  
Yeah she likes me  
I'm a lover undercover under the covers with your  
girlfriend

Are you mad?

Don't be serious  
You should be proud  
Not furious  
It's another round  
Yeah

It's no lesbians  
It's just me with your girlfriend

Damn I thought it was too good to be true!
