I got number one fans
N-n-n-number one fans

You see us on the videos
And hear us on the radio
Watch us on TV
And listen to us on the stereo
Listen to us on your iPod
And says Oh My God
When you see us backstage
Without going crazy and putting us in a cage
Try to keep us in there so you can take us home
It's too bad that you can't be alone

You're our number one fan
N--n-n-n number one fan
Baby don't you understand

You see us on the videos
And hear us on the radio
Watch us on TV
And listen to us on the stereo
Listen to us on your iPod
And says Oh My God
When you see us backstage
Without going crazy and putting us in a cage
Try to keep us in there so you can take us home
It's too bad that you can't be alone

Chorus
That you're our number one fan
