Baby you got this feeling that makes you can't go on
It's making you crazy and freaky all night long
Why you gotta be so obsessed
It took me a while to get away from you
I'm running and running

I'm beginning to catch a fit
So much for this bullshit
I can't make you get away from me
You are so obsessed
Let me take a second guess

I know that you are my number one
But right now this is no fun
I need to fly away to the sun
Why you gotta be so obsessed
It took me a while to get away from you
I'm running and running

I'm beginning to catch a fit
So much for this bullshit
I can't make you get away from me
You are so obsessed
Let me take a second guess

O-B-S-E-S-S-E-D
4X

I'm beginning to catch a fit
So much for this bullshit
I can't make you get away from me
You are so obsessed
Let me take a second guess
Let me take a second guess
Let me take a second guess
Let me take a second guess
