Let the piano man play
Let the piano man play

I let that pianoplayer play all day while I sing this skit
right here 4x

Take a minute
Sit down
Talk to me
No I mean right now
I need a conversation with you
I think about you all the time
While I listen to my iPod
Yeah I must be special
This is so special
Who's to say you love me
Who's to say you need me
Who's to say you trust me
Who knows

Chorus
Let the piano man play
Let the piano man play
I let that pianoplayer play all day while I sing this skit
right here 4x

Let him play 10z
