i was driving
in my car
late at night
all alone

then he stopped me
asked me for a ride
there you were
on your own

now ask me why do i feel my heart's on fire ask me
why do i feel this strange desire
ask me why do i feel like i'm falling, falling

take me home
what a wonderful way to go
take me home
what a wonderful way to go

licking your greasy spoon
jukebox playing my tune
making out in your room
blowing up your balloon
playing you like a bassoon
but if i only knew
where we were driving to
i wouldn't have let you fill my tank

i pulled in
to your truck stop and i'm
sleeping on the asphalt eighteen
wheelin' and siphon gas
and i'm feeling you're my big 10-4

now ask me why do i feel my heart's on fire ask me
why do i feel this strange desire ask me
why do i feel like i'm falling, falling

take me home
what a wonderful way to go
take me home

what a wonderful way to go

take me home

what a wonderful way to go

take me home

what a wonderful way to go

take me home

what a wonderful way to go

take me home

what a wonderful way to go
