Verse 1:

I don't want to be in your company
I don't need you to take care of me
Let me alone, let me alone, let me alone, can't you let
me be
All I want in this world is to say I'm a man that's free

Verse 2:

People talk about the way I look
I say come on and say it, I got enough to write a book
But don't they know, don't they know, don't they know
it's a waste of breath'cause I don't wanna be like them,
all I want is to be myself
(lemme hear you play it one time now)

Verse 3:

Don't try to force your smuggled drugs my way
'cause baby, I cleansed my soul and I say that's the
way it's gonna stay
But you can put me down, all around, on the ground,
anyway you choose
Get your kicks with your fix, but this time I know it's you
who lose
