You set me up again, you make me lose my friends  
I just don't know what I'm gonna do with you  
Your feet are still on the ground, so you put me down  
I just don't know what I'm gonna do with you

I don't feel, you're no big deal  
No big deal

I got into a fight, got into it tonight  
I just don't know what I'm gonna do with you  
You talk much too loud, when you put me down  
I just don't know what I'm gonna do with you

I don't feel, you're no big deal

You know you broke my heart and that was just the  
start  
I just don't know what I'm gonna do with you  
You know you broke my heart and that was just the  
start  
I know just what I should do for you

I tell you, I don't feel  
You're no big deal, no big deal
