Dan, I need you now  
Okay Mikey, come

Feel the fire, feel my love  
Inside you so bright  
There's a sound and the smell of love on my mind

I'm a toy, come and play with me  
Say, "Work now"  
Wrap your legs around me, ride me tonight

Sex, sex  
Sex, sex

I'm a man  
I'm a goddess  
I'm a man  
I'm a virgin  
I'm a man  
I'm a blue movie

I'm a man  
I'm a bitch  
I'm a man  
I'm a geisha  
I'm a man  
I'm a little girl  
I'm a man  
And we'll make love together

Why does man go to a hooker?  
First of all because he quite often  
Is not all that happy and sexual satisfied at home  
His wife won't perform all the activities that he has in  
mind  
And most of all, oral sex is a taboo  
The woman would say, "What do you think I am, a  
whore?  
I don't want to do that"

Slip and slide when you're  
Where you like to feel the blood flow

Not too fast, don't be slow  
My love's in your hands

I'm a man  
I'm a boy  
I'm a man  
I'm your mother  
I'm a man  
I'm a one night stand

I'm a man  
I'm a bi  
I'm a man  
I'm your slave  
I'm a man  
I'm a little girl  
I'm a man  
And we'll make love together

Most of them come to a hooker and say  
"My wife, oh, my wife, is she dead in bed  
She's frigid, cold as a starfish"  
They take off the pants and their underpants  
There's nothing more ridiculous  
Than a guy with his party socks on  
He dives into the bedroom  
He says, "Do me, suck it"

Skin to skin  
Honey, hold tight  
Come inside, it's a passion play just for you  
Let's get lost in the magic place alone now  
Drink your fill from a fountain of love, wet your lips

I'm a man  
I'm a teaser  
I'm a man  
I'm a virgin  
I'm man  
I'm a one night stand

I'm a man  
I'm a drug  
I'm a man  
I'm your slave  
I'm a man  
I'm a dream to find  
I'm a man  
And we'll make love together

I'm a man

I'm a goddess  
I'm a man  
I'm a hooker  
I'm a man  
I'm a blue movie

I'm a man  
I'm a slut  
I'm a man  
Well, I'm your babe  
I'm a man  
I'm a dream to find  
I'm a man  
And we'll make love together

And we'll make love together  
And we'll make love together  
And we'll make love together  
And we'll make love together

You fuckin' piece of shit  
Fuck me

One little, two little, three little Indians  
Suck it, fire hose

Suck it  
Suck me  
Suck it  
Suck me  
Suck me  
Fuck me

Fuck me  
Suck it  
Suck it  
Suck it  
Suck it
