pardon me sir
is this seat taken
i overheard you say
not stirred but shaken
and i could really throw one back

such a thirst doesn't always permit
forward tact
so, if you would sir
pardon me
a stiff one is my specialty

strangers on a train
strangers on a train

oh, you're very charming Sir
now here's to you
i don't want to know your name
or what you do
i know, here's to strangers on a train
strangers on a train

oh, i think we're going faster
from the mount to the pasture
just look at that scenery
it's lovely
it's lovely

i really like to ride the train
especially when i forget where i'm going
i really like the way it feels
the motion of the wheels

as the raging sparks are flying
from the wounded rails still crying
battling the scenery
it's lovely, it's lovely
it's lovely, it's lovely

i really like to ride the train
especially when i forget where i'm going
i really like the way it feels

the motion of the wheels

mountain, meadow
oh, i.. i'd better go
this is my station, you know
i've had a lovely time
oh the pleasure's mine
all mine
