Verse 1:

What is happening and how have you been
Gotta go but I'll see you again
And oh, the music is so loud
And then I fade into the...

Verse 2:

Crowds of people standing everywhere
Cross the street Im at this laugh affair
And here they always play my songs
And me, I wonder if its...

Verse 3:

Wrong or right they come here just the same
Telling everyone about their games
And if you think it obsolete
Then you go back across the street
Yeah, street, hey hey

Verse 4:

When I leave now don't you weep for me
Ill be back, just save a seat for me
But if you just can't make the room
Look up and see me on the...

Verse 5:

Moons a common scene around my town
Yeah where everyone is painted brown
And if we do get stuck away
Lets go paint everybody gray
Yeah, gray, yeah
