Friday
(Thank God it's) Friday
Friday
(Thank God it's) Friday, Friday, Friday, Friday...

Hey,
Put a smile on your face,
Things are coming your way,
Out there somewhere tonight,
(It's the right time and place).

I saw you baby,
For the very first time,
Couldn't take my eyes off you,
Girl you just had to be mine.

You're the key I'm dreamin' of,
For it just had to be you,
Girl I know this time
I'll make all my dreams come true.

Hey,
See the stars in his eyes,
And that music in you,
Tells you how you can find
(Your way to paradise)

Friday
(Thank God it's) Friday
Friday
(Thank God it's) Friday, Friday, Friday, Friday...

Hey,
Put a smile on your face,
Things are coming your way,
Out there somewhere tonight
(It's the right time and place)

Hey,
See the stars in his eyes,
Tells you how you can find love...
