Body and Soul, baby
Body and Soul, baby
Body and Soul, baby
Body and Soul

Body and Soul, baby
Body and Soul, baby
Body and Soul

Spin the wheel to the mummer's dance
and bite your tongue to the god of chance
Then the critical monkey self
will raise a huff and you'll kill yourself

Body and Soul, baby

Hold back a mob with an empty gun
and turn this tragedy into fun
Walk to the stand, engraved in stone
Yet free from the silence. you're not alone

Body and Soul, baby
Body and Soul, baby
Body and Soul

Build when the devil's heart had failed
And sail the seas that no man has sailed
and go to church when your conscience wills
or find your own in the far blue hills

Body and Soul, baby
Body and Soul
Body and Soul
Body and Soul, baby

Spin the wheel
Baby

Spin the wheel
Spin the wheel
Spin the wheel

Baby

Spin the wheel
Body and Soul, baby
Spin the wheel

Baby

Spin
Baby, Baby

Spin the wheel
