My delicious Ocean  
My delicious Ocean

I was thinking I don't have it  
But I'm thinking I've got some  
Time  
Father, father can you help me  
I'm shaking  
Can you tell me why?

I was thinking I don't have it  
But I'm thinking I've got some  
Time  
Father, father can you help me  
I'm shaking  
Can you tell me why?

Where the hell is my heroin  
Her pussy tastes just like nothing  
At all  
Where the hell is my heroin  
I can't take this on-my-toss stuff  
No more

Where the hell is my heroin  
Her pussy tastes just like nothing  
At all  
Where the hell is my heroin  
I can't take this on-my-toss stuff  
No more

My delicious Ocean  
My delicious Ocean

Screw me over if you need to  
Screw me over  
Now I don't mind  
Lips like heaven  
You're my poison  
I taste you  
Shall I so this for a while  
I know you're thinking

I know the way you work it  
So we'll take that ride  
Bliss out i'm coming  
Then you ask me  
What it's like when I come inside

Where the hell is my heroin  
Her pussy tastes just like nothing  
At all  
Where the hell is my heroin  
I can't take this on-my-toss stuff  
No more

Where the hell is my heroin  
Her pussy tastes just like nothing  
At all  
Where the hell is my heroin  
I can't take this on-my-toss stuff  
No more
