Such a greedy girl
Wants it all
Everything you've got
That's all

You know she needs someone good
But you got the fever
You know she needs someone good
But you got the fever

Using all the tricks in the book, babe
Use from this down to that
She says, "You must read my lips, babe"
You just can't do that

Doesn't get to feeling too low, babe
Want to end it all
Too much fun, babe
And I know you will fall

You know she needs someone good
But you got the fever
You know she needs someone good
But you got the fever

Feeling lower than low, babe
(Feeling lower than low, babe)
When everything is so wild
(When everything is so wild)

Feeling lower than low, babe
(Feeling lower than low, babe)
Now that's all I got
(Now that's all I got)

I know you need someone good
I know you need someone good
But I got the fever, fever, fever
