The word that would best describe this feeling  
Would be haunted  
I touch the clothes you left behind  
That still retain your shape and lines  
Still haunted  
I trace the outline of your eyes  
We're in the mirror hypnotized  
I'm haunted  
I find a solitary hair  
Gone and still I remenice  
I'm haunted

Haunted by your soul  
Haunted by your hair  
Haunted by your clothes  
Haunted by your eyes  
By your soul, by your hair  
By your clothes, by your eyes  
By your voice, by your smile  
By your mouth, by your soul  
By your hair, by your clothes  
By your eyes, by your voice  
By your smile, by your mouth  
By your soul

HAUNTED (haunted)

So this is for when you feel happy  
And this is for when you feel sad  
And this is for when you feel...  
Nothing

OOOOH when the minutes drag  
OOOOH when the minutes drag

And this is for the tears that won't dry  
And this is for a bright blue sky  
And this is for when you feel...  
Lucky  
And this is for when you feel...  
Lucky

O000H when the minutes drag  
O000H when the minutes drag

So this is for when you're feeling happy again  
And this is for when you're feeling sad  
And this is for when you feel...  
Something

O000H when the minutes drag  
O000H when the minutes drag

HAUNTED (haunted)  
When the minutes drag  
HAUNTED (haunted)  
When the minutes drag

O000H  
O000H
