

## Love & Rockets "Holy Fool"

Visit "[Holy Fool](#)" on MotoLyrics.com

I could kiss the she-fire  
Just like a holy, holy fool

I could never think too much  
Just like that holy, holy fool

I could see a bright, bright future  
In the bottom of this coffee cup

I could spring up and down, up and down  
Just like a jet boy out of school

Holy fool  
(Take me there)  
Holy fool  
(Breathe the air)  
Holy fool  
(Take me there)  
Holy fool  
(Breathe the air)

I could pick up the pieces  
And try to play by the rules

I could dig down deeper and deeper  
Like a holy, holy fool

I could think there's no judgement  
No control, no control, no

I could think the best times ahead now

Like a holy, holy fool

Holy fool  
(Take me there)  
Holy fool  
(Breathe the air)  
Holy fool  
(Take me there)  
Holy fool

(Breathe the air)  
(Breathe the air)  
(Breathe the air)  
(Breathe the air)  
(Breathe the air)

Holy fool  
(Kiss the she-fire)  
Holy fool  
(Kiss the she-fire)  
Holy fool  
(Kiss the she-fire)  
Holy fool  
(Kiss the she-fire)

(Take me there)  
(Kiss the she-fire)  
(Take me there)  
(Kiss the she-fire)  
Holy fool  
(Take me there)  
Holy fool  
(Kiss the she-fire)  
(Take me there)  
Holy fool  
(Kiss the she-fire)  
(Take me there)  
Holy fool  
Â... fade to end
