I don't know what color your eyes are, baby  
But your hair is long and brown  
Your legs are strong and you're so, so long  
And you don't come from this town

My head is full of magic, baby  
And I can't share this with you  
The feel I'm on a cross again, lately  
But there's nothing to do with you

I'm alive, so alive  
I'm alive, so alive

Your strut makes me crazy  
Makes me see you more clearly  
Oh, baby, now I can see you

Wish I could stop  
Switch off the clock  
Make it all happen for you

I'm alive, so alive  
I'm alive, so alive

I don't know what color your eyes are, baby  
But your hair is long and brown  
Your legs are strong and you're so, so long  
And you don't come from this town

My head is full of magic, baby  
And I can't share this with you  
I feel I'm on top again, baby  
That's got everything to do with you

I'm alive, so alive  
I'm alive, so alive
