You cannot go against nature
Because when you do
Go against nature
It's part of nature too

Our little lives get complicated
It's a simple thing
Simple as a flower
And that's a complicated thing

No new tale to tell
No new tale to tell
No new tale to tell

My world is your world
People like to hear their names
I'm no exception
Please call my name
Call my name

No new tale to tell
No new tale to tell
No new tale to tell

No new tale to tell
No new tale to tell
No new tale to tell

When you're down
It's a long way up
When you're up
It's a long way down

It's all the same thing, no new tale to tell
It's all the same thing, no new tale to tell
It's all the same thing, no new tale to tell
