We're going to stay awake
For as long as it takes

We're going to stay awake
For as long as it takes
To correct all the silly mistakes we have made

We're going to play a game
We're going to play a game

We're going to play the game again
For as long as it takes again
For something we don't really want at all

One two three four
Two two three four
Three two three four
One

To win is to lose, to lose is to win
To win is to lose, to lose is to win
To win is to lose, to lose is to win
To win is to lose, to lose is to win

We're going to stay awake
(To win is to lose, to lose is to win)
We're going to stay awake
(To win is to lose, to lose is to win)

We're going to stay awake
(To win is to lose, to lose is to win)
We're going to stay awake
(To win is to lose, to lose is to win)
